

“Simple, effective and great value for money. Groop provides us with everything we need . . .”

Will Cole, One Southwark

The essential software that removes your ‘Administrife*’.

Groop enables you to manage and report on your activities, communicate with your staff, volunteers and members and share important information securely - giving you more time to make a difference in your community!

We are a socially focused business, whose team of experts bring experience in the Public and Third sector, enabling us to create Groop collaboratively with our customers.

** Administrife - the pain caused by administration*

We can connect everyone, everywhere!

Our vision & mission

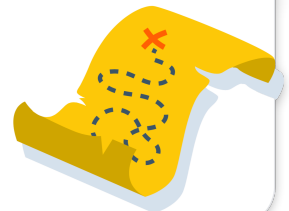

Vision

Everyone belongs and is **inspired** to take part; embracing life’s opportunities.

Mission

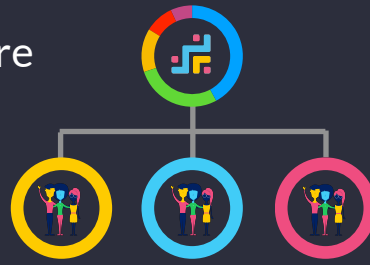

To strengthen, secure and connect groups for a **greater society**.

We work with a range of public and third sector organisations, including:

Groop is designed with an infinite hierarchical structure enabling you to support and manage your work in a quality assured, safe and secure environment.

“We feel Groop enables us to effectively harness the power and commitment of our community volunteers, and our dedicated staff who co-ordinate them, to safely meet our residents’ needs, thereby making a difference in our communities, now and in the future.”

Syd Dennis, Service Manager, [Rhondda Cynon Taf County Borough Council](#)

You can access Groop anytime, anywhere - on your computer, mobile or tablet.

Using Groop gives you confidence that you are adhering to best GDPR practice and keeping your data safe. Groop is hosted by UKCloud - a highly secure accredited UK based service.

“[Brockworth Link](#) have been using Groop for a few months now and we can honestly say that we love it. It’s user friendly and easy to understand and it collates all the information we need it to.

Our staff had no problem learning the different areas of the system and, when needed, Groop have been very accommodating answering any questions we had. We do not hesitate to recommend Groop to other businesses and charities.”
